THINGS ARE HAPPENING AROUND HERE....

As we are all in full "school mode" now, we are able to get into the swing of things, and we are excited that we can begin to offer some of our popular annual activities! On September 16 we enjoyed hosting our annual "Grandparents Lunch", and were thrilled to have almost 150 Grandparents and/or family members come eat with their kids...it was a really fun day! Our school Restaurant Night at Orange Leaf was a huge success, as well.

This newsletter will give you an overview of what we have going on the next couple of months. We are in the process of getting our website updated, so that will soon be a valuable tool for you to use.

Prior to our monthly PTO meetings will be the WW "Site Council" meeting. Please plan to come at 6:30 for Site Council, then stay for our meeting. This is the **best** way to be fully informed as to what is happening with our building project, as well as in your child's education!

As always, we truly appreciate our volunteers! Please do not hesitate to contact any Board member with questions or ideas.
